PARENT / STUDENT HANDBOOK Grades K-8
2017-18

Dear Parents and Students,

We are very pleased to welcome you to NOBLE ACADEMY COLUMBUS for the 2017-2018 school year. All of us at Noble will be working with you to make this school year an exciting and productive one.

Education is a shared responsibility, and successful operation of a school depends on the cooperation of everyone concerned—students, parents, and staff. The goal of NOBLE ACADEMY COLUMBUS is to create a partnership among the members of this triad. Each member is responsible for doing his or her part to make our school a place where each one can achieve his or her goals so that all work together in harmony.

This handbook is written for the parents, students and staff of Noble Academy. It is an essential reference tool describing the procedures, practices and expectations of the school. All students, their parents and school staff should read it carefully and let it act as a guide for effective and successful involvement in all aspects of school life. Some changes and additions to this handbook can be made anytime during the school year when necessary and parents will be notified via mail about these changes.

On behalf of the Administration and staff here at NOBLE ACADEMY COLUMBUS, good luck to you during the 2017-2018 school year. Feel free to contact any member of the school staff if you need assistance with any problems/concerns. We are here to help you.

Sincerely,

Mr. Kadir Parlar, Principal

Stephanie Habash, Response to Intervention and Testing Coordinator

Whitney Marshall, Assistant Principal of Academics (K-4)

Brendan Kollman, Assistant Principal of School Culture (K-4)

Jason Knight, Assistant Principal of School Culture & Academics (5-8)

MISSION STATEMENT

School Mission: We foster an environment of inquiry and a love of learning so students are prepared to thrive in STEM-focused high schools, colleges, and the world.

School Vision: Our students will enter high school ready to tackle any academic challenge and will excel in the STEM subjects.

Core Values

Noble Academy promotes six core values to guide its interactions with all members of the school community:
Respect- All members of the school community (students, parents, and staff) have equal worth and should be treated with respect.

Responsibility- All people have choices, and teachers, parents, and students should be responsible for their actions.

Integrity- Belonging to a community requires a commitment to the common good. The community is stronger when everyone can be counted upon to be honest and trustworthy.

Courage- Having the courage to try new things expands minds and causes students, parents, and staff to reach beyond their own expectations.

Curiosity- The ability to wonder and to create connections stimulates further learning. Inquiry will be fostered on the part of parents, staff, and students.

Effort- Success is accomplished when students, family, and staff are willing to do what it takes to accomplish their vision of the future.

1. STUDENTS' RIGHTS

NOBLE ACADEMY COLUMBUS does not discriminate against any member of its community on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disabilities or handicap in educational programs or activities.

The right of students to freedom of expression shall not be abridged, **provided that such right shall not cause any disruption or disorder within the school.**

FREEDOM OF EXPRESSION shall include without limitation, the rights and responsibilities of students, collectively and individually, (a) to express their views through speech and symbols, (b) to write, publish, and disseminate their views, and to assemble peaceably on school property for the purpose of expressing their opinions. Any assembly planned by students during regularly scheduled school hours shall be held only at a time and place approved in advance by the Principal (or designee).

No expression made by students in the exercise of such rights shall be deemed an expression of school policy, and no school officials shall be held responsible in any civil or criminal action for any expression made or published by the students.

FREEDOM OF SPEECH. Students' right to free speech comes with the following restrictions:

- What a student says may not disrupt the work and discipline of the school in a material or substantial way.
- A student's words may not incite others to disrupt the work or discipline of the school or disobey the laws.
- No students may be obscene.
- Students may not say (slander) or write things about (libel) another person that damage that person's reputation and are not true, if they know the statement to be false or don't care whether it is true or false.
- Students may not use combative words, that is, words which, when spoken to a reasonable person is reasonably certain to produce a violent action. Included in this category would be racial, sexual, ethnic, or religious slurs.

FREEDOM OF PRESS. Students may express their opinions in publication and other written material as long as it follows standards of good taste. Unofficial or underground publications distributed at school will not be censored so long as they are signed by the author(s), and are not disruptive, defamatory, obscene, or containing "combative words." School reserves the right to regulate the content of "school sponsored express activities." A sign posted must be signed by the person who puts it up and must be posted in the designated area in the school.

FREEDOM OF RELIGION. Students have the right to be absent from school for observance of the holy days of their religion. **Parents/guardians must notify advisor and school office in writing prior to absence.** *An absence for religious reasons will count as an excused absence from school.*

Religion in the Schools (School Prayer)

The School recognizes that our student body is composed of a diverse range of philosophical, moral and religious beliefs. The School is dedicated to accommodating the religious, philosophical and moral beliefs of its student body in accordance to State and Federal laws governing the function of religious, moral and philosophical expression in publicly funded institutions. In accordance to these laws, the School does not endorse religious activity or doctrine, or coerce participation in any religious activity. Schools may not discriminate against private religious expression by students and will not tolerate intimidation, coercion or harassment of any student or staff member based on religious preference. With respect to prayer in school, no staff member or administrator will establish or lead any sort of religious observance during instructional time. Instructional time is defined as regular class time (scheduled classes, including study halls). School shall make accommodations to relieve substantial burdens on students' religious exercise.

RIGHT TO EQUAL EDUCATION. School students cannot be prevented or discouraged from participating in any school activity because of race, gender, sexual preference, religion, national origin, or handicap.

WHAT TO DO IF RIGHTS ARE VIOLATED. You are encouraged to talk to your teachers, your administrator or the Principal. Any member of the school community who believes he/she has been subject to or bears witness to discrimination on the basis of race, gender, age, sexual orientation, religion, national origin, disability, or handicap may file a complaint with school Principal. The Principal will make a determination in the matter. If that determination is unsatisfactory, the member of the school community can request a hearing before the School Board President by submitting a request in writing to the school office.

2. GRADING SCALE K-2

All students in grades K-2 will be assessed based on a standards-based grading system. It is our belief at Noble Academy that students at such a young age should not receive a letter grade to indicate passing or failing, but be assessed on the growth they have throughout the year. In this case the students will receive a letter that corresponds to where they are at in their learning process at the time of report card evaluations. Those grade breakdowns are:

K-2nd Grade students will receive numbers on their report card. These are the options you will see:

- 4- Advanced (Exceeds required level of performance consistently)
- 3- Proficient (Meets required level of performance consistently)
- 2- Basic (Working toward required level of performance, but inconsistently)
- 1- Below Basic (Working below required level of performance consistently)
- 0- Not enough work completed to score
- N/A- Not applicable

3. GRADING SCALE 3-8

All classes at NOBLE ACADEMY COLUMBUS will follow this standard scale for assigning letter grades for quarter work for grade 3rd through 8th. Individual teachers will establish the grading policies and procedures for their classes, and their grades will correspond to this scale.

98 - 100 = A+	88 - 90 = B+	78 - 80 = C+	68 - 70 = D+	0 - 60 = F
95 - 97 = A	85 - 87 = B	75 - 77 = C	65 - 67 = D	
91 - 94 = A-	81 - 84 = B-	71 - 74 = C-	61 - 64 = D-	

4. GRADE PROMOTION POLICY

As required by Ohio Revised Code Section 3313.609, no student shall be promoted to the next grade level if the student has been absent without excuse for more than ten percent (10%) of the required attendance days of the current school year and has failed two (2) or more of the required curriculum subject areas in the current grade unless the student's principal and the teachers of any failed subject areas agree that the student satisfies educational standards set forth below to be promoted to the next grade level, and in the circumstance described in this paragraph any references below to the student's principal's making such a determination shall be deemed modified so as to require that such a determination be agreed upon by that principal and the applicable teachers.

In Kindergarten, 1st and 2nd grades, the principal recommends promotion or retention based upon input from teachers, a school psychologist, and appropriate others. Retention is viewed as another opportunity for growth at a particular grade level. While parents are consulted and involved before retention or acceleration is recommended, the decision is the responsibility of the principal with the right of appeal to the Superintendent. Student promotion is based on their letter grades in grades 3rd through 8th, as well as the teachers' overall yearly assessments. Students must have passing grades in all of the core subjects (English, Math, Social Studies, and Science).

Note: Special cases will be considered by school administration.

The 3rd Grade Guarantee law states, "Schools cannot promote to fourth grade students who score below proficient on the state standardized assessment. Students scoring below the proficiency level, determined by the Ohio Department of Education, will be retained in grade 3 for the following school year." Students will also be assessed, via NWEA, in the Spring, as a secondary assessment, to aid in promotion. If a student in Grade 3 meets a score of 196 on this assessment, they will be promoted to Grade 4 for the following school year.

SUMMER AND MID-YEAR PROMOTION

Students not meeting the passing score on, either assessment, as determined by the Ohio Department of Education, will be required to attend 3rd grade summer camp, in order to be reassessed and considered for promotion to Grade 4.

Summer Promotion:

A student will be eligible to advance to the fourth grade during the summer if:

1. The student earns the promotion score on the Ohio Achievement Assessment (or other state designated diagnostic assessment); or
2. The student earns a promotion score on an alternative assessment chosen by the School from a list of approved assessments issued by the State.

Mid-Year Promotion

If a student is retained in the third grade pursuant to the Third Grade Reading Guarantee, the student must meet the requirements set forth below in order to be promoted to the Fourth Grade mid-year.

Requirements for mid-year promotion:

1. The student must meet the NWEA promotion cut off score for the fourth grade based on the fall NWEA administration (if the student does not meet the fall NWEA promotion cut off score required to be promoted the student will remain in the third grade for the remainder of the school year). AND
2. The student must meet two (2) of the following three (3) criteria:
 - a. A GPA of 3.0 or above in the current school year;
 - b. A Star Reading level of a 3.2 or higher based on the fall administration;
 - c. The student has less than 5 unexcused absences for the current school year.

Students being promoted will be placed in the Fourth Grade after the fall NWEA test session. No mid-year promotions will occur after the end of the first quarter.

NOBLE ACADEMY COLUMBUS Honor Roll and Merit Roll Policy

Honor Roll and Merit Roll students are awarded for the 1st, 2nd and 3rd quarter performances. Students in grades 6 through 8 are eligible for honor roll if their GPA (Grade Point Average) is 3.50. Students are eligible for merit roll if their GPA is between 3.0 and 3.49.

For the purposes of averaging the following scale shall be used:
A= 4.0 points B= 3.0 points C= 2.0 points D= 1.0 points F= 0 point

STANDARDIZED TESTS

Ohio's State Achievement Tests are administered to students in grades 3-8 at NOBLE ACADEMY COLUMBUS. In order to see the progress of a child in a year, NOBLE ACADEMY COLUMBUS administers the NWEA MAP tests three times a year. The scores and a detailed report of the test results are shared with parents.

5. ATTENDANCE

Promoting and fostering consistent student attendance requires a commitment from the administrators, teachers, parents, and students. We ask that you, as a student, do all you can do to attend school every day and your parents are welcome as much as needed. If a student is to be out sick, the parent/guardian should call the School Office by 8:00 a.m. so we know they will be out. All students are accountable to complete work they missed while absent (i.e. homework, project, quiz, test, and other assignments). It is the student's responsibility to collect missing work. The office does NOT make arrangements about collecting missing work.

The State Law requires all students enrolled at the School to attend school regularly in accordance with the laws of the State. The School will:

- keep accurate attendance records of excused and unexcused absences,
- require a parent/doctor's note from a student returning from an absence and follow through appropriately if the student does not have one,
- incorporate daily participation as part of the teaching/learning process for each grading period, and require accountability from students to complete work they missed while absent including homework, projects, quizzes, tests and other assignments.

Excused Absences

Under State's "Missing Child Law", parents or guardians must notify the school by the morning of any school day their child is not attending. The excuse shall be submitted to the attendance office and filed as part of the student's school record. An excuse for absence from school may be approved for one (1) or more of the following reasons or conditions:

- Personal physical illness such as to prevent attendance at School.
- Personal mental illness such that the student will not benefit from instruction.
- Illness in the family if student is age fourteen or older.
- Quarantine of the home.
- Death in the family.
- Observance of religious holidays.
- Court subpoena.
- Necessary work at home due to absence of parents/ guardians.

- Instruction at home from a person qualified to teach the branches of education in which instruction is required.
- An emergency or set of circumstances which in the judgment of the School constitutes a good and sufficient cause for absence.
- Any school approved enrichment activity

Unexcused Absences

An unexcused absence does become part of a student’s school record. An absence will be marked as an unexcused absence if you:

- fail to bring a written note within two school days following an absence
- leave school without signing out of school at the office
- are absent from class without permission - including walking out of class
- are absent from school without parental permission
- get a pass to go to a certain place but do not report there
- are absent for reasons not acceptable to the administration and/or
- are absent for transportation, weather, personal issues and non-medical appointments

Notice of Excessive Absence

In the event a student is absent, with or without legitimate excuse, for 38 or more hours in one school month, or 65 or more hours in a school year, the School shall notify the child’s parent, guardian, or custodian of the child’s absences, in writing, within 7 days after the date after the absence that triggered the notice requirement.

Habitual Truancy

“Habitual truants,” are defined as students that are absent without legitimate excuse for 30 or more consecutive hours, 42 or more hours in one school month, or 72 or more hours in a school year. In the event a student meets the threshold for habitual truancy, the School must take the following steps:

1. The Superintendent/Principal must establish an Absence Intervention Team (hereafter referred to as the “Team”).
 - A. The Team must be selected within 7 school days of the student reaching the habitual truancy threshold
 - B. The Team must include:
 - i. The student’s parent or parent’s designee, guardian, custodian, guardian ad litem or temporary custodian (collectively referred to hereafter as “Parent”);
 - ii. One representative from the school; and
 - iii. One representative from the school that knows the student.
 - C. The Team may also include a school psychologist, counselor, social worker, or representative of a public or nonprofit agency designed to assist students and their families in reducing absences.
 - D. Within 7 school days of the student reaching the habitual truancy threshold, the Superintendent/Principal shall make at least 3 meaningful, good faith attempts to secure the Parent’s participation on the Absence Intervention Team.
 - i. If the Parent responds but is unable to participate, the Superintendent/Principal shall inform them of their right to appoint a designee.
 - ii. If the Parent does not respond within 7 school days the School shall do both of the following:

- a. Investigate whether the failure to respond triggers mandatory reporting to the county children services agency pursuant to ORC 2151.421; and
- b. Instruct the Team to develop an Intervention Plan notwithstanding the Parent's absence
 2. The Superintendent must assign student to the Absence Intervention Team within 10 days of becoming habitually truant.
 3. The Team must develop an intervention plan for the student within 14 school days after the student is assigned. The plan is to be aimed at reducing or eliminating further absences. The plan shall be based on the individual needs of the student, but shall state that the School shall file a complaint not later than 61 days after the date the plan was implemented, if the student has refused to participate in, or failed to make satisfactory progress on the intervention plan or an alternative to adjudication for being an unruly child.
 4. Within 7 days after the development of the plan, the School shall make reasonable efforts to provide the student's Parent with written notice of the plan.
 5. In the event the student becomes habitually truant within 21 school days prior to the last day of instruction of the school year, the School may, in its discretion, either:
 - a. assign a School official to work with the student's Parent to develop an absence intervention plan during the summer. If the School selects this method, the plan shall be implemented not later than 7 days prior to the first day of instruction of the next school year; or
 - b. reconvene the absence intervention process upon the first day of instruction of the next school year.

Intervention Strategies

If the School has a chronic absenteeism percentage that is less than 5%, as displayed on the School's most recent local report card, it shall be exempt from the requirement to assign habitually truant students to an absence intervention team for the following school year and shall instead take any appropriate action as an intervention strategy. In the event that the intervention strategies fail, within 61 days after their implementation, the School shall file a complaint, provided (a) the school has made meaningful attempts to re-engage the student through the intervention strategies, and any offered alternatives to adjudication; and (b) the student has refused to participate in or failed to make satisfactory progress on any offered intervention strategies or alternative to adjudication.

The School's intervention strategies may include any of the following:

- (1) Providing a truancy intervention plan for any student who absent, with or without legitimate excuse, for 38 or more hours in one school month, or 65 or more hours in a school year;
- (2) Providing counseling for an habitual truant;
- (3) Requesting or requiring a Parent to attend parental involvement programs;
- (4) Requesting or requiring a parent, guardian, or other person having care of an habitual truant to attend truancy prevention mediation programs;
- (5) Notification of the registrar of motor vehicles;
- (6) Taking necessary or required legal actions.

Withdrawal

Any student that without a legitimate excuse fails to attend one hundred and five (105) consecutive hours will be automatically withdrawn from the school.

If a student occasionally comes, misses several days and is still enrolled at the school, the “Truancy” process needs to be followed.

Make-up Work for Excused Absences

An absence from school, even for several days, does not excuse you from responsibilities in the classroom on the day you return. If you have an excused absence, you will be given the same number of days that you were absent to make up missed work.

To be eligible for make-up work, you must show each teacher the “excused absence slip.” On the day you return to school, it is **your responsibility** to find out what work is required and when the work needs to be completed.

If you are absent for school-related reasons or for an anticipated or planned absence, make arrangements with your teacher(s) for assignments prior to your absence. For students with excused absences, make-up tests will be scheduled at a time designated by the teacher. It is the **students’ responsibility** to ask for the test and take the test at that time. If you fail to do this, the teacher is not obligated to set another time for the make-up. If you fail to make up a test without making other arrangements, the teacher may decide not to give you the test. Make-up work is to be picked up by the parent/guardian or family member **ONLY**. We will **NOT** allow make-up work to be sent home with other students unless they are siblings in the same household.

Make-up Work for Unexcused Absences

If you have an unexcused absence, your grade(s) in a class or classes, your grade(s) will be affected in one of these ways:

- You may not make up work following an unexcused absence.
- Unexcused absences may result in an "F" or "zero" for the day in each class missed.
- Teachers are not obligated to allow you to make up quizzes or tests.

Documenting Attendance for Non-Classroom Based Learning Opportunities

Any student's instruction time in non-classroom-based learning opportunities shall be certified by an employee of the community school. The School will use a Non-Classroom, Non-Computer Based Log for purposes of documenting non-classroom based learning opportunity attendance. The documentation will be separated between Computer Based Learning Opportunities and Non-Computer, Non-Classroom Based Learning Opportunities and shall include the following elements:

- i. Student Name and SSID
- ii. Brief Description of learning opportunities
- iii. Dates and times of actual learning opportunities
- iv. Total of verified learning opportunities time
- v. Signature of teacher verifying the reported learning opportunities

EARLY DISMISSAL OF STUDENTS FROM SCHOOL

The end of the school day is 3:30pm. Parents must wait outside the buildings until students are released. Students who are signed out by parents or guardians prior to this time will be marked as “early dismissal.” NOBLE ACADEMY COLUMBUS is very concerned about your safety and well being so early dismissal from school is an important issue. In all instances of early dismissal, the following precautions will be taken to ensure students’ safety.

- The principal may release you before the end of a school day only upon presentation of a face-to-face (no telephone call) request from your parent or guardian.
- You may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent or guardian to act on his/her behalf.
- **You may be not released from the school "on your own" under any circumstances.**
- No staff member shall permit or cause you to leave school prior to the regular hour of dismissal except with the knowledge and approval of the principal and with the presence of your parents or guardian.
- You will not be released from school to any government agency without proper warrant or parental permission in person except in the event of an emergency as determined by the principal.

6. STUDENT CONDUCT AND DISCIPLINE

NOBLE ACADEMY COLUMBUS has as its goal to help every student fulfill his or her intellectual, social, physical and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the NOBLE ACADEMY COLUMBUS administrators and teachers shall not allow the following behaviors during school, on school property, or at or during any school-sponsored activities.

STUDENT BEHAVIORS

Students are considered to be subject to the authority of the school when they are in route to or from school and at school related or school sponsored events even though those activities may not take place at an actual school. Some examples include athletic meets and games, field trips, contests, and concerts. Misbehaviors, which occur at such events, as outlined below, will be subject to the same penalties as misbehaviors that occur in school.

SCHOOL WIDE LEVEL SYSTEM

Noble Academy will be using a behavior system called PBIS (Positive Behavior Intervention Supports). This is a positive behavioral approach to teaching students the appropriate way to act while in school. Positive behavior support is an application of a behaviorally-based systems approach to enhance the capacity of schools, families, and communities to design effective environments that improve the link between research-validated practices and the environments in which teaching and learning occurs. Students will learn the rules of every area of the school grounds and will practice doing them correctly throughout the year. Students will then be able to earn rewards for following the rules. In addition each classroom will be also be participating in Class Dojo. Students will earn points for exhibiting appropriate classroom behaviors and receive negative points for breaking school rules. Parents can monitor their child’s points on the website or via the app.

School rule infractions will be assigned a level based on the severity of the violation. These may be documented in the school database and viewed by all staff as well as parents.

LEVEL I – MISBEHAVIORS

These behaviors should be addressed in the classroom and given consequences by the teacher. However an office referral may be issued for repeated violations.

- A. Being tardy to class (with the exception of first period-should have tardy pass from secretary)
 - B. Running in the hallways or on the sidewalk.
 - C. Failure to follow classroom rules and procedures set by individual teachers
 - D. Not working on assigned task
 - E. Bringing/eating food in class (including chewing gum)
 - F. Inappropriate behavior to friend (including name calling and making fun of for an isolated incident that is not repetitive in nature)
 - G. Not being in your assigned location
 - H. Humming, singing, making strange noises in the class (unless told to do so)
 - I. Writing and passing notes
 - J. Not turning in homework
 - K. Failure to follow lunch procedures
 - L. Showing disrespectfulness to teachers or staff and/or using inappropriate language and behavior (talking back to your teachers).
 - M. Cheating on tests
 - N. Taking items of others
 - O. Plagiarism
- P. Teachers may use their judgment for any other misbehavior that is not mentioned here but might be considered a Level 1 misbehavior.

CORRECTIVE ACTION I

When a student is moved to a level that requires a consequence in which loss of privileges occurs, it should include a student conference and parent notification. Documentation is required in the activity tab either as a referral or noted in the activity log.

Consequence Options (consequences should be documented through the activity tab):

- *Warning to student and parent notification.**
- *Loss of Recess (5-20 minutes)**
- *Afterschool detention**
- *Parent conference with student**
- *Office referral/RTI referral if student reaches that step.**

LEVEL II – MISBEHAVIORS

These behaviors would require an automatic office referral to the Assistant Principal.

- A. As defined by the teacher/administration as chronic violation of Level I misbehaviors
- B. Leaving school without permission, including walking out of classroom in the absence of an emergency declared by the principal
- C. Verbally or physically threatening to injure or harm another person or intimidating another person by creating fear for personal safety

- I. Vandalism and/or destruction of school property (writing on bathroom walls, or other school areas)

J. Gambling on school premises

K. Trespassing, including entering a school to which the student is not assigned without signing in at the office, entering a school from which the student is suspended without permission from the school principal or bringing an unauthorized visitor to the school

M. Engaging in an activity that may create a condition that is unsafe or unhealthy to others

N. Refusing to hand in beepers, pagers, cell phones, game boys, CD players, walkmans, IPOD and similar electronic devices to the teacher. (The device is confiscated by the staff member and taken to the administration. Parent is contacted to come to school to pick up the device.)

*When threatened with physical violence by another student, the proper and expected response from students is to go to the nearest staff member for assistance. Fighting back is not an acceptable option. If a student responds with violence to a provocation, both students will be held to consequences. The only possible exception to this policy might be if the student who is not the aggressor can prove that he/she was not the aggressor and no staff member was present or immediately available and the student had no choice but to physically defend him/herself. Fighting is a minimum 3 day suspension.

CORRECTIVE ACTION II

Level II misbehaviors will result in a disciplinary action, including but not limited to, afterschool detention and suspension based on the discretion of administration. Students may be required to sign a behavior contract given the severity of the infraction as well as the number of infractions. Once a student reaches 10 days suspension, the student may face expulsion.

Administration will investigate all level III violations and determine consequences based on age, prior infractions or patterns of behavior and the offense, along with any other circumstances that are part of the offense. Parents will be informed of any Level III misbehavior offense committed by their child immediately by the administration of the school. A face to face conference will be required to discuss the offense. Parents

will also be notified by mail and via phone conversation (if consequences have not been decided at time of conference) of the consequences.

BUS CONDUCT:

Students must conduct themselves appropriately on all bus rides. They must follow the rules of the bus driver for the safety of all individuals on board. Failure to follow the rules of the bus will subject students to disciplinary action by administration including, but not limited to, detention and suspension from the bus. If a student is suspended from using the bus, the student must continue to attend school otherwise it will be considered an unexcused absence.

8. DUE PROCESS

All students at NOBLE ACADEMY COLUMBUS are entitled to the rights guaranteed by the United States Constitution and Bill of Rights, and their rights will not knowingly be denied by the required code of conduct or by any disciplinary actions taken by the school. Any student who exhibits any of the Unacceptable Student Behaviors listed in this handbook or added to this list at a later date will suffer immediate consequences. These consequences range from notification of parents, detention, and emergency removal from a school activity to suspension, expulsion, and criminal prosecution.

All students at NOBLE ACADEMY COLUMBUS have the right to feel that they are physically, emotionally, and intellectually safe.

- Therefore, if at any time you feel you are the subject of harassment, hazing, threats, or other intimidating behavior, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible. All investigative reports will be kept completely confidential.
- Similarly, if you are concerned about the safety of another student who seems to be the subject of harassment, hazing, or threats, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible. All reports of this nature will be kept completely confidential.

AFTER-SCHOOL DETENTIONS

Detention will be held weekly on Tuesdays from 3:30-5:00pm. Parents will have at least one (1) day notice that their student must serve a detention in order to make arrangements to pick their child up from school.

Administration will assign these detentions based upon referrals. Guidelines for detention are as follows:

- Absence from an assigned after-school detention, without prior approval of an administrator, may result in a suspension.
- Students are to bring schoolwork or work will be assigned.
- Parents will be notified of assigned after-school detention via letter, mail, telephone, or email. Students are also to inform parents.
- No sleeping will be permitted in after-school detention.
- Office work or light physical work may be assigned.

Suspension Procedures

Rules of suspension follow the due process as mandated by the State Law.

1. The Principal or his/her designee may suspend.
2. No suspension shall exceed ten (10) school days.
3. A student with an Individual Education Plan (IEP) may not be suspended beyond ten (10) days in any one (1) school year. All students with disabilities will receive a free and appropriate public education (FAPE). As an IEP student approaches six (6) or seven (7) suspension days, the IEP team should reconvene to revise the IEP and develop a Behavior Intervention Plan. In the event that a student exceeds ten (10) suspension days within the school year, services will be provided in an alternative interim placement. Students who are in the process of evaluation because a disability is suspected have the same rights as students already identified.
4. The School must give written notice of the intention to suspend and the reason to the student. The student must be asked to sign the "Intent to Suspend Letter". If s/he chooses not to sign, then the School shall so indicate that, in writing, on a form and, also have a staff member verify the same, in writing, on the same form.

The student shall be given the right to appear at an informal hearing before the Principal or his/her designee and

has the right to challenge the reasons for the intended suspension or otherwise explain. This informal hearing can take place within three (3) days, if practicable or immediately following the infraction.

The written notice of suspension shall be sent or given within one calendar day to the parent/guardian if the student is under the age of 18. The notice shall contain the reasons for the suspension and the right of the student to appeal to the Board of Directors or its designee.

You and your parent/guardian may appeal a suspension within seven (7) days of the suspension being issued. This appeal must be submitted to the Principal in writing and heard by the School Discipline Committee. You may not attend classes until the appeal is heard. All disciplinary hearings will be held within two (2) school days of the appeal being made.

Expulsion Policy

Rules of expulsion follow due process as mandated by the State Law.

1. The Superintendent may expel.
2. The School shall provide the student and the parent/guardian written notice of the intent to expel. The written notice shall include reasons for the intended expulsion.
3. The student and the parent/guardian shall have an opportunity to appear on request before the Principal to challenge the expulsion or to otherwise explain the actions that led to the intended expulsion.
4. The written notice shall state the time and place to appear which shall not be less than three (3) days or later than five (5) days after the notice of intent to expel is given. The Superintendent may grant an extension of time. If granted, the Superintendent or the designee must notify all parties of the new time and place.
5. A parent/guardian has the right to appeal the expulsion, which must be submitted, in writing, to the Principal within fourteen (14) days of the written notice of expulsion. The Principal shall immediately forward this written appeal to the Board of Directors or its designee. You may not attend classes until the appeal is heard, but you will be able to turn in work for the classes you miss while waiting for the appeal and receive credit for that work. All disciplinary hearings on expulsions will be held within four (4) school days of the appeal being made.

Expulsions will not exceed eighty (80) school days unless the student has been expelled for the following reasons:

- Bringing a firearm into the school, onto school grounds, or to any other school program or activity;
- Bringing a knife into the school, onto school grounds, or to any other school program or activity;
- Committing an act that would be a criminal act if committed by an adult that results in serious physical

harm;

- Or as otherwise allowed by Law.

If the student commits such acts, they may be expelled for up to one (1) school year.

The specific circumstances under which the Superintendent may modify a one (1) year expulsion could include:

- a) A recommendation from the group of persons knowledgeable of the student's educational needs in accordance with the Individuals With Disabilities Education Act;
- b) The student was unaware that s/he possessed a firearm or knife;
- c) The student did not understand that the item s/he possessed was considered a firearm or knife;
- d) The student brought the item to School as part of an educational activity and did not realize it would be considered a firearm or knife; or
- e) The student may be eligible for participation in an alternative program.

The expelled student will be provided with a date for a mandatory re-entry conference. The expelled student, and parent or guardian of the student must be present at the re-entry conference.

The student and parent/guardian of the student will be notified in the event that the student fails to attend the re-entry conference.

The decision to expel any student will be made in writing and will include the reasons for the expulsion by the Principal after hearing about the events involved in a situation.

Emergency Removal:

If a student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process, the student can be removed from school without prior notice of hearing. Written notice of the removal and hearing, which must be held within three (3) school days of the student's removal, shall be provided as soon as practicable. Students are to remain home during school hours and not attend/participate in school sponsored function(s) pending the hearing. Should an out-of-school suspension be warranted, days of removal may be applied to the days of out-of-school suspension.

SUSPENSION/EXPULSION OF DISABLED STUDENTS

In matters relating to the disciplining of disabled students, the School shall abide by Federal and State laws regarding suspension and expulsion.

Removals of Not More Than 10 Days – The 10-Day Rule

The School may remove a student with a disability who violates a code of student conduct from the student's current placement for not more than 10 school days. This option may be used only if the disciplinary action is consistent with actions taken against nondisabled students. The School may place students removed under the 10-day rule in an appropriate interim alternative educational setting ("IAES") if applicable (see below), another setting, or suspend them. Removals under the 10-day rule are not considered a "change of placement" and the School is not obligated to provide services to students during those removals. The School can use the 10-day rule to remove a student for either a single removal of 10 consecutive school days; or a series of shorter-term removals over the course of the school year that are more than 10 consecutive school days during that school year, so long as those removals do not constitute a pattern of removals (and therefore, a change of placement). When a removal is not a change of placement, an IEP meeting is not required. However, if one or more IEP team members believe that modifications are needed to the student's behavior plan, the team shall meet to modify the plan and its implementation to the extent the team determines necessary.

Removals of More than 10 Days – Change of Placement

A change of placement occurs if a removal is for more than 10 consecutive school days; or if a student is subjected to a series of removals which accumulate to over 10 school days, that constitute a pattern. If a change of placement occurs (after a MDR (see below)), then the School must notify the parents or guardians of that decision. This notice must inform the parents or guardians of all the procedural safeguards accorded under the law. These safeguards include a manifestation determination review, a right to receive services, and a continuation of services for a free appropriate public education. The School must provide services that:

- Enable the student to continue to participate in the general education curriculum (although in another setting); and
- Enable the student to progress toward meeting the goals set out in the student's IEP.

Manifestation Determination Review ("MDR")

The School will conduct a MDR to examine a student's behavior before imposing disciplinary consequences that would amount to a change of placement. The purpose of the MDR is to determine whether a student's disability caused, influenced or otherwise impacted the student's behavior in question. To make this determination, the student's IEP team is required to review certain information and determine whether the behavior causing the disciplinary infraction is or is not a manifestation of the student's disability.

The MDR is not required for disciplinary removals that do not constitute a change of placement, that is, less than 10 school days per incident or a series of removals accumulating to more than 10 school days in one school year that do not constitute a pattern.

No later than the date on which the decision to take a disciplinary action which may be a change of placement is made, the School must notify the parents or guardians of that decision and of all procedural safeguards, including the MDR. The School and the parents or guardians must determine which members of the IEP team are relevant to conduct the manifestation determination. The team will review all relevant information in the student's file to determine whether the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability or was the direct result of the School's failure to implement the IEP. If the team determines that either condition is applicable for the student, it must determine that the conduct is a manifestation of the student's disability.

Manifestation – If the team determines that the behavior was a manifestation of the student's disability, the full IEP team must meet the following requirements:

- Conduct a functional behavior assessment and implement a behavior intervention plan for the student, unless the School conducted a functional behavior assessment prior to the manifestation determination;
- If the IEP team already developed a behavior intervention plan, it must review and modify the plan as necessary to address the behavior; and
- Return the student to the placement from which he or she was removed, 45-day rule exception applies.

No Manifestation – If the team determines that the behavior was NOT a manifestation of the disability, the School may discipline the student using the relevant disciplinary procedures applicable to students without disabilities in the same manner and for the same duration, continuing to provide services to students with disabilities.

If a student’s behavior was not a manifestation of the disability, the School will still take steps to attend to the student’s behavior. The student must receive, as appropriate, a functional behavior assessment, behavioral intervention services and modifications designed to address the behavior violation in order to attempt to prevent a reoccurrence.

Exceptions to the MDR Requirement – The 45-Day Rule

The School may remove a student to an IAES for up to 45 school days, without a prior MDR or IEP meeting, when a student commits any of the following while at School, on School property or at a school function:

- Carries or possesses a weapon (a device, instrument, material or substance, animate or inanimate, that is used for, or is readily capable of causing death or serious bodily injury);
- Knowingly possesses or uses illegal drugs or a controlled substance not legally or sells or solicits the sale of a controlled substance; or
- Inflicts serious bodily injury on another person.

9. MISSING WORK POLICY

Completing assigned work is an essential part of your successful educational program at NOBLE ACADEMY COLUMBUS. Doing homework will help you develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers will assign homework and classwork that will foster individual learning and growth and that is appropriate for the subject area. **It is your responsibility to complete and turn in all assigned work on time.** If you or your parents have questions about any assignment, immediately contact the teacher who assigned it. Teachers may deduct points for any assignment turned in past the due date and may refuse to accept the work after 5 days.

Make-Up work:

- Students are allowed 1 day per absence to make up their work.
- It is the student’s responsibility to collect all missing work from their teachers upon their return to school.

10. ILLNESS, INJURY, AND MEDICATION POLICIES

NOBLE ACADEMY COLUMBUS will have a school nurse or first-aid-trained-professional available to discuss or assist with medical problems or concerns. Unless you are ill, you must make an appointment in advance with the nurse.

ILLNESS OR INJURY DURING THE SCHOOL DAY

Please follow these three rules if you become ill or are injured during the school day.

- You should report to the Main Office.
- If you do not inform the office and simply miss class, it is an unexcused absence.
- Do not just leave the building. Always report to the main office.

S17- Acceptable Use Policy

Revised October 2015

The Internet has become a vital part of our information infrastructure. The School strongly believes in the educational value of the Internet and recognizes the potential of such to support our curriculum and student learning in our school. School also recognizes the potential for misuse, or abuse, which is inherent in the Internet, and will make reasonable efforts to protect its students and teachers. In order to comply with the Children's Internet Protection Act ("CIPA"), the School has installed and is maintaining software that is designed to limit access to harmful matter on the Internet and monitor student use of the Internet. Such filtering software, however, may not adequately protect users from accessing all harmful matter on the Internet. The installation of such software does not relieve harmful matter. If a student violates any of these provisions, access to the Internet (including any computer or device connected to the Internet or School's network) may be denied and student may be subject to legal and/or disciplinary actions. These rules apply to both student owned devices and school owned devices.

- 1) Student accepts personal responsibility for use of school Internet services.
- 2) Student's use of the Internet must be in support of education and research, and within the education goals and objectives of the School.
- 3) Prohibited Uses: The following uses for the computer/device/network/Internet are prohibited:
 - a.) Any use which is in violation of federal, state or local law. This includes, but is not limited to, the transmission of copyrighted materials and privacy rights.
 - b.) While using any other organization's network or computing resources, violating that organization's rules for use of its network or computing resources.
 - c) Knowingly bypassing or penetrating any Internet security measures, including gaining entry or "hacking" into systems, disabling protections, or accessing restricted material without authorization.

d) Use which assists, supports, or promotes another person's Internet use in violation of these rules.

e) Production, transmission or storage of any communication or material which may be considered:

- i. Defamatory, abusive, harassing or threatening toward another person.
- ii. Communications or materials which denigrate persons based upon race, ethnicity, religion, gender, or disability are prohibited.
- iii. Promoting, encouraging or supporting the use of controlled substances.
- iv. Commercial activities by individuals or for-profit entities.
- v. Violating another person's right to privacy.
- vi. Using a false identity on the Internet.
- vii. Otherwise prohibited on a school campus or in a workplace.

f) Accessing any pornographic, obscene, vulgar or sexually explicit material, or any material which promotes, encourages or supports any unlawful activity.

g) Using technology to disrupt the educational process, or against policy.

h) Damaging technology devices or systems.

i) Plagiarizing information found on the Internet.

j) Using obscene, profane, lewd, rude, inflammatory, threatening, derogatory, or other language that may be offensive to another user.

4) Use of the Internet is a privilege, not a right, and inappropriate use will result in withholding of that privilege.

5) You are expected to abide by the generally accepted rules of network etiquette. These rules include (but are not limited to):

a) Be Polite. Never send, or encourage others to send, abusive messages.

b) Use Appropriate Language. Remember that you are a representative of our school, on a non-private system. You may be alone with your computer, but what you say and do can be viewed globally! Never swear, use vulgarities, or any other inappropriate language. Illegal activities of any kind are strictly forbidden.

c) Do not reveal personal identifying information on the Internet, such as your home address or personal telephone number, or the addresses and telephone numbers of students or colleagues.

d) Do not use the network in any way that would disrupt use of the network by others.

6) The School makes no warranties of any kind, whether expressed or implied, for the service it is providing. The School will not be responsible for any damages suffered while on this system. These

damages include loss of data, inability to complete work due to system downtime, and loss of privacy. Use of information obtained via the Internet is at your own risk.

7) Security on any network is a high priority because of the many people relying on that network. If you suspect a security problem, notify the appropriate school personnel at once. Never demonstrate the problem to other users. Never use another individual's password or account. Never give your passwords to another person. Any use identified as a security risk will be denied access to the network and may face disciplinary action.

8) Vandalism is defined as any malicious attempt to harm, or destroy, anyone else's data, or any attempt to deprive other users of network services or computers. This includes, but is not limited to, the creation and uploading -downloading of viruses or Trojan horse programs, unauthorized tampering with the Control Panel settings for computers, or physical damage to any machine. Vandalism may result in the loss of computer access, disciplinary action, and legal referral.

MEDICATION POLICY

Medication should not be brought to school unless it is essential to the health of the student. If a student must take medicine at school, these procedures must be followed:

- The medication to be administered by designated school personnel must be
 - 1) sent directly from the pharmacy or physician's office
 - 2) or brought to school by the student's parent/guardian.
- The school must receive a Medication Administration Directions Form signed by the student's physician and parent/guardian.

- All medication will be kept in a secure location in the main office.

Students **are not allowed** to carry any medication with them to school. Aspirin, Tylenol, and other patent drugs **are not** available from school. This includes asthma inhalers.

Students may carry and administer their medication ***if these two conditions are met:***

- It is warranted by a potentially life-threatening condition and advised by their physician and
- A Medication Self-Administration Form is on file in the office signed by the student's parent, physician, and the principal.

NOBLE ACADEMY COLUMBUS will not be liable for personal items you leave in your locker or bring to school with you. To keep your school items safe, we strongly advise you to keep your locker private. Do not trade lockers with another student. Do not let another student share your locker unless it is assigned as a shared locker. It is the student's responsibility to see that his/her locker is kept closed and in order at all times. Students should report any damage, vandalism or non-working condition of their locker to the office. If the students do not report vandalism, damage or non-working condition of your locker, they will be held responsible for it. Please remember that all lockers are school property and remain at all times under the control of the school; however, students have full responsibility for the security of their locker and what is in it. Periodic locker checks will be made by NOBLE ACADEMY COLUMBUS staff to ensure that lockers are kept clean and orderly. If you would like to bring a lock in for your locker, the combination must be shared with administration.

12. LOST AND FOUND

There will be a lost and found container in the cafeteria. If you find books, clothing or personal items on the school grounds, please bring these items to the office. Failure to do so will result in confiscation of the phone by administration. A parent will need to pick up the cell phone if a student is found using it without permission. Continued abuse of this policy will result in greater disciplinary action by administration.

After School Care Rules:

- A student must have an after school care registration form on file in order to attend after care. You can obtain one from the front office.
- A parent or guardian needs to be visible to the after school care staff to release a student from after school care. (Students may not leave after care without their parent/guardian present.) An ID may be required to identify the correct pick up person.
- If a student is to be picked up by a person other than his/her parent, a note must be sent to school to the office.

- Children are to remain seated starting at 3:30pm and only are allowed to move from their seat if they raise their hand and get permission.
- Quiet talking only when permitted using appropriate words.
- Hands and feet are to be kept to oneself, and students must follow directions at all times.
- After school care materials must be used respectfully and correctly.

Failure to follow after school care rules will result in disciplinary action. Students will be warned before action is taken to give them the opportunity to correct their behavior. If they do not, the discipline guidelines will apply.
