

Dear Parent/ Guardian,

By receiving this letter your Student- Athlete has interest in the Noble Academy Knights Fall Sports Program. This is a program that is **free** to all Student- Athletes and is designed to promote a healthy way of living and build leadership skills. The Fall Sports Program will cover three different sports that Student- Athletes will receive training in. Cross Country, Soccer and Flag Football will be the three sports covered in the fall session. There will also be a Winter session and Spring session during this school year.

A Student- Athlete is not allowed to join the club for only one of the sports; they must participate in all three sports to be a part of the fall program. Three absences through the fall program will result in a termination from the program and the possibility of not being able to join other sessions.

**Schedule:**

Tuesdays after school from 4:00pm to 6:00pm.

September 11<sup>th</sup> to November 13<sup>th</sup>.

**September 11-18-25- Cross Country**

**October 2--9--16--23-- Soccer**

**October 30-- November 6- 13-- Flag Football**

**Transportation:**

Student- Athletes must have a ride home with a parent/ guardian or approved driver/chaperone every week. The program will end at 6:00pm after school on the scheduled days. If students do not have a ride home then they cannot participate in the after school program. If parent/guardians want to carpool or drive other Student-Athletes home from the program that is allowed. We will need to get permission from both parties on a contract, if questions please email me or ask questions at Meet the Coach event.

**Meet the Coach:**

There will be a mandatory Meet the Coach event after the first night of the program on Sept 11<sup>th</sup> 2018 from 6pm to 6:30 pm. During this time we will be signing a contract holding all parties to a set code of rules and guidelines. Any comments questions and concerns will be answered during this time as well.
